

UT AUSTIN (721)
Fiscal Year: 2008
90 Day Past Due Statement (up to 7,000 characters)

Tuition & Fee Collection Procedures: Students who have unpaid tuition bills at the time of established payment due dates have their registration cancelled. Therefore, all enrolled students must pay their original tuition registration bill or one-half of the bill amount if the student selects the installment payment plan. Students electing to pay on the three-payment installment plan must sign a promissory note.

Students who have unpaid add bills or installment bills have a "financial bar" placed on their account. The bar prohibits them from registering for the next semester, receiving grades, transcripts, or diplomas until the balance is paid in full.

At the end of each semester, students with past-due tuition and fee balances are contacted and informed that the balance will be reported as delinquent to a credit bureau. Students are given the opportunity to sign a payment agreement, which, if maintained, will prevent the negative credit report but will not remove the financial bar.
